A hobo of the regulation variety, was in the city Wednesday. If he walked up from the station he earned what he could pick up, as he appeared to be a cripple. Whether or not he was a cripple will remain an open question to students of the interesting study of mendicancy in its varied refinements.

Alleged Beauty

If Miss Gladys Hiedley, of Washington, and Miss Inez Milholland, of New York, are, as is claimed for them, the most beautiful young women suffragettes in this country, we would like to put them way back in the ranks by entering against them any average girl in this county. It is held that very few pretty young women espouse suffragism, and that their attractions vanish very soon. Women of culture are authority for the statement that the excitement and dissipation incident to women mixing in politics, robs them of attractions.

The Union Revival Service

The union revival services continue in progress at the Methodist church this week with perhaps an increase in interest and attendance. The sermons are strong clear gospel appeals and the congregations are attentive and appreciative. Keytesville needs a revival in church going a revival of religion and a moral awakening. The public should give these meetings hearty support and sympathy. It is true as Gladstone said, that the gospel of Jesus is the greatest question of the day and it can and will solve all problems. The unity among the churches and ministers is pleasant to behold and if a united effort of faithful ministers means anything the meeting should result in great good.

Services will be held at the Baptist and Methodist churches Sunday morning and then all the churches will unite in the union service at the Methodist church Sunday night.

Foot Shot Off

Monday morning as Henry Teitjens and his brother who live near Indian Grove were delivering a load of corn to Mrs. Ringer, a shot gun which they had taken along was in some way accidentally discharged, the load striking Henry Teitjens in the bottom of the ball of his foot, tearing it almost entirely away.

Dr. Zillman was hurried to the home of Mr. Teitjens and performed the necessary surgery, tho at the time of going to press we have not learned whether the foot would be lost or not.

Accidents of this kind are becoming quite numerous and we trust that the two sad cases in the county in the last two weeks will insure greater care in the handling of fire arms, for in the cases Dr. Conrad of Sumner who lost his hand and Henry Teitjens of near Indian Grove who may lose his foot, the unfortunates were thoroughly familiar with the use of fire arms.

A lot of good carpet in the shape of balls of rags are scattered about the streets with which some youngsters are having fun by throwing and unrolling.

Buffalo Bill Dying

Col. William Mathewson, of Wichita, Kas. the original "Buffalo Bill" whose name is revered by every normal boy, is probably dead at his home at Wichita. Wednesday, his physician said he did not have 24 hours to live. He was a companion of the renowned Kit Carson, on a fur-seeking trip in the west years ago and was known by the Indians as "Simpah Zilbah" the long-bearded white man.

H. J. Peters, of Waverly, was an arrival at Keytesville this week to be here until the middle of February. He will dispose of the remainder of his goods or as much as possible of them and then will remove the remainder to Waverly. Mr. Weber, who has been manager of the local store since Peters bought it, will also leave and return to his home at Waverly.

The child of Mr. and Mrs. Jack Turpin, living north of this city, was ill the first of the week.

The crying need of our town at this time is "more houses." We think at least 20 houses could be rented within 10 days. Can't someone start the building boom? The only way to make a town is to take care of all the people who come here to live.

Both Mr. and Mrs. A. L. Wires, Sr., are in poor health at this time. Their extreme age makes their case grave.

The Wabash R. R. is making substantial improvements in the yards here. A large steel water tower is nearing completion as well as a new coal chute.

I want a HENDERSON

MOTORCYCLE Agent in your county. Address C. W. Waughop, 4914 Delmar Bd., St. Louis, Missouri.

I HAVE STARTED SOMETHING

Being determined not to carry over Xmas Goods, and finding some of the finest and most expensive ones hard to dispose of at this season of the year, I am putting up one at a time—in the window or somewhere in the store on display—marking it at the selling price AND REDUCING it 25c each day it remains here, until it goes. Watch for them as I put them up, and if you want it at any price figure what day to call for it at your price, and if it's still here you'll get it. The first set I put up is gone! Am putting up another and will continue until they are disposed of, as I want to turn them into cash. They will be sold at YOUR price.

1912 - 1913

It is very gratifying at the number who called and squared up their last year account, but there are STILL A FEW who have ignored my request. NOW, I must insist on having last year accounts closed within the next thirty days. If for any reason you can't pay up NOW, come in, at least, and make it known, that I may know you haven't forgotten it. Otherwise, I will have to resort to other means, and you will find it easier and more agreeable to settle direct with me.
